

WHAT TO EXPECT AT YOUR NEXT APPOINTMENT AT STIRLING EYECARE

At the time of your exam:

Upon arrival, your (and any guest's) temperature will be taken. If your temperature is above 100.4, you will be asked to leave and reschedule your appointment.

Masks will be required (we will provide one if you don't have one)

Your hands will be sanitized upon entering the office.

No guests, please, unless you are a parent with a child. A guest is permitted to enter the office when you are choosing glasses.

Choosing frames:

Our highly trained staff will bring frames to you to try on. This will reduce the number of frames touched and requiring disinfection.

COVID 19 risk questions:

If you have any of the following: fever, cough, chills, shortness of breath, muscle pain, sore throat, significant loss of smell or taste, or have been out of the country in the last 2 weeks, please reschedule your exam.

We are grateful to be able to start seeing all our patients, again. If you have any questions about our updated safety measures, please do not hesitate to contact us. We look forward to seeing you soon!
